ARE AFTER FORFEIT MONEY

THIS CITY AND OGDEN OPEN
SEASON HERE.

(Special to The Herald.)

Butte, Mont., Jan. 18.—McCluskey of Salt Lake, and also holding the Ogdenville; Williams of Spokane and Lane and Wilcox of Butte, representing the four clubs of the new Northwestern league, held another meeting this afternoon at the Denver hotel, each club was guaranteed, Spokane and Butte putting up checks and McCluskey announcing that the Salt Lake money was on deposit in a bank and that the Ogdenville forfeit was ready when called for.

Lane and McCluskey left this afternoon for Ogdenville and Salt Lake to get the forfeit, Lucas says he will have some matters of interest to give out for publication in a few days.

Another meeting of the directors will be held about March 1, when the schedule will be arranged. The season will probably open April 25, when Butte will play at Spokane. The Salt Lake club at the meeting today a resolution was adopted to the effect that a player, when released from one club to any club outside the league, cannot return to the league unless he goes with the club that released him, and that the club which gives its consent for him to play with another club in the league, the meeting today also forwarded the 1903 championship to Butte.

The magnates discussed the proposition of playing five games in each city with two days to be designated as "ladies" day, but no decision was reached on this point.

GEORGE TEBEAU WINS

The "Foxy" Magnate Now in
Absolute Control of Western
League Affairs.

Denver, Jan. 18.—George Tebeau today bought the Denver franchise in the Western Baseball league and the improvement of the franchise was made by C. Packard and R. R. Burke. The price was not made public, but it is believed to have been something in the neighborhood of \$10,000.

The immediate effect of this change in the ownership of the Denver team will be the withdrawal of the franchise from Kansas City, giving the American association the clear field there, which Tebeau has been fighting for some time. The franchise was withdrawn and the Western league will probably have a six club circuit next season, with Salt Lake, Denver, Colorado Springs, Omaha, Lincoln, Des Moines and Sioux City.

Lincoln, Neb., Jan. 18.—The hearing in the Western Baseball league injunction was today postponed until next Friday.

Tacoma Club Organized.

Tacoma, Wash., Jan. 18.—The Tacoma baseball club has been organized today with a capital stock of \$5,000, subscribed by five directors. The following are the names of the directors: E. L. Davis, president; David S. Evans, vice president; George M. Shreder, secretary; Forbes Hansen, treasurer; and A. Fisher, manager. Articles of incorporation have been filed.

SALT LAKE WINS FAME.

Former Resident of This City
Now Champion Rifle Shot.

Denver, Jan. 18.—D. W. King, Jr., president of the Colorado State Rifle association, was today crowned a record, scoring 317 points in 100 consecutive shots with the rifle at the grounds of the Denver rifle club. The previous record, 308 points, made by Colonel H. Pope, had stood for a long time.

D. W. King is a former Salt Lake resident, having lived here in the early '90s, and he was prominent in cycling circles. At that time he had a little racing on the track and was successful in local cycle clubs. King shot at the big rifle tournament in San Francisco two years ago and was crowned champion at Salt Lake to visit friends on a way back to Denver. At this time he visited the targets of the local rifle club and did some remarkably good shooting.

Tickets are Going Fast.

If indications point for anything there will be a record breaking crowd at the athletic tournament Friday night, given for the benefit of the Denver rifle club and Brighton, the mudered street car conductors. Tickets are now on sale and are going fast. The police force of Roberts of the police force said yesterday that he had sold nearly 300 already and that the boys of the rifle club were trying to beat the police department in disposing of the tickets. It was said that some of the boxing bouts will be for blood and that those who expect tame affairs are very liable to be surprised.

Big Boys to Fight.

Boston, Jan. 18.—Ruhlin of Akron, O., and Sandy Ferguson of Chicago, matched today to box fifteen rounds at the Criterion club, this city, Jan. 25.

DEAR FATHER

Nebraska Democrats Welcome
Their Leader Home.

LONG SPEECH ON POLITICS

SUBJECT OF THE TOAST WAS
"THE MORAL ISSUE."

Lincoln, Neb., Jan. 18.—A formal welcome to W. J. Bryan on his return from Europe, in the form of a "dollar dinner," was held tonight and was attended by nearly 700 Democrats, made up principally of the Nebraska political party. It was intended as a testimonial of regard and sympathy with Mr. Bryan's political ideals, from members of his party in the city and state, and to mark his entry into active participation in the pre-convention campaign. Mr. Bryan held a special reception, in the banquet hall, and was given a most enthusiastic greeting. His speech, which was extended, was given close attention, and heartily applauded, his declaration that the Kansas City platform was sound in every part and must be reiterated, together with his demand that the nominees of the St. Louis convention be in accord with his platform, bringing out the demonstration of the evening.

Mr. Bryan speaking to the toast, "The Moral Issue," said in part:

"Instead of talking of concessions and

tion. If we would appeal to sincere men we must ourselves be sincere, and we sincerely can be shown only by a willingness to suffer defeat rather than abandon the cause of good government.

"Shall we accept imperialism as an accomplished fact in order to appease those who are willing to endorse a government without the consent of the governed? There can be no thought of such a surrender, for we would trust us to deal with the fundamental principles of the constitution.

"Shall we change our position on the trust question in order to secure the support of the trust magnates? We do not want the trust magnates against us, not for their opposition is proof of our party's fidelity; their support would cast suspicion upon us.

"Shall we abandon our advocacy of bimetallism in order to conciliate those who defeated the party in other campaigns? Never. Some phase of the money question is always before congress, and no one can predict when the coinage phase of the money question will arise. Fullback is ever before us, and kind would be possible with the money changers in control of the party.

"Shall we change our position on the tariff question? It is absurd to suggest it. The same vicious principle runs through all the evils from which the people suffer, and so with the position on the labor question, the selection of senators, the people's welfare, stock control of corporations and other issues, the Kansas City platform is sound in its entirety, and its principles have been used in my family and can cheerfully affirm it is the most effective and pleasant remedy for the evils which have ever used." 25c, 50c and \$1.00. PLEASANT AND MOST EFFECTIVE.

T. J. Chambers, Ed. Vindicator, Liberty, Texas, writes Dec. 25, 1902: "With pleasure and unhesitatingly, I bear testimony to the curative power of Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used it in my family and can cheerfully affirm it is the most effective and pleasant remedy for the evils which have ever used." 25c, 50c and \$1.00. Z. C. M. I. Drug Dept.
